Does this for a nice
change? Give probably
your felous because I
have better, neater, and
cooler handwriting
than you! Big-Mountain,
what do you mean by
that smart remark that
I can always think of
something to say? Did
you mean that I talk
too much? Well fine
fuck you then, cause its
really none of your
business, the eleven
if it was its not very

nice of you to say such
 things. Anyway I love
 you very much. Glad
 you to the moon and all
 the way back and
 that's a lot! Nothing will
 ever change that, even
 if you are on ass some-
 times but that's beside
 the point. And the point
 is I love you (and always
 will! Ya know I kind of
 miss writing you letters!
 Sincerely yours,
 Haki

KIDS

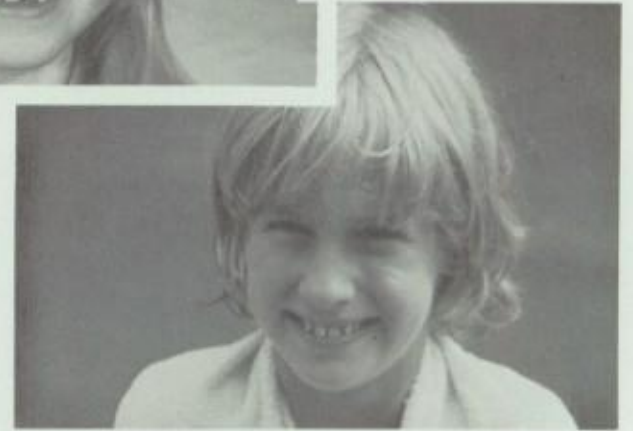

"Children have neither past nor future,
... , they rejoice in the present."

La Bruyere, **Les Caractères**

We are not children. We have a past and
are presently constructing a future. We have
fond memories of our past and high hopes for
the future. We will go out into the world
armed with a sound education, common
sense, and our dreams.

However, our parents and elders have re-
minded us time and time again that these are
the good days, so make the most of them, for
the days are numbered!

SPORTS

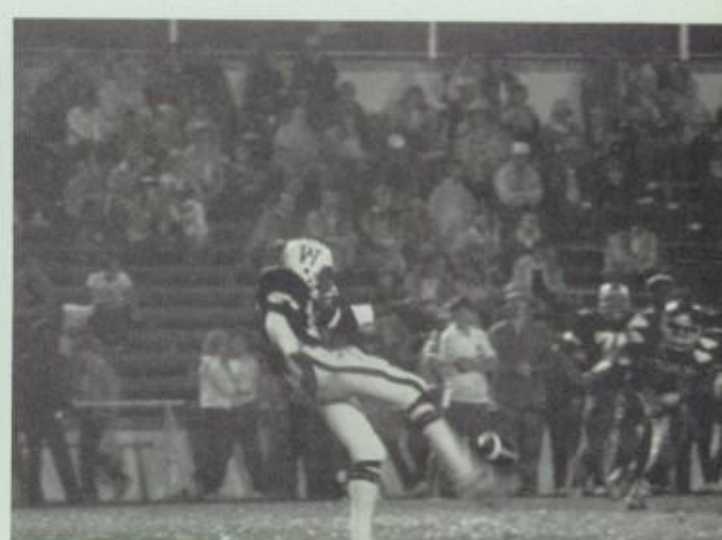

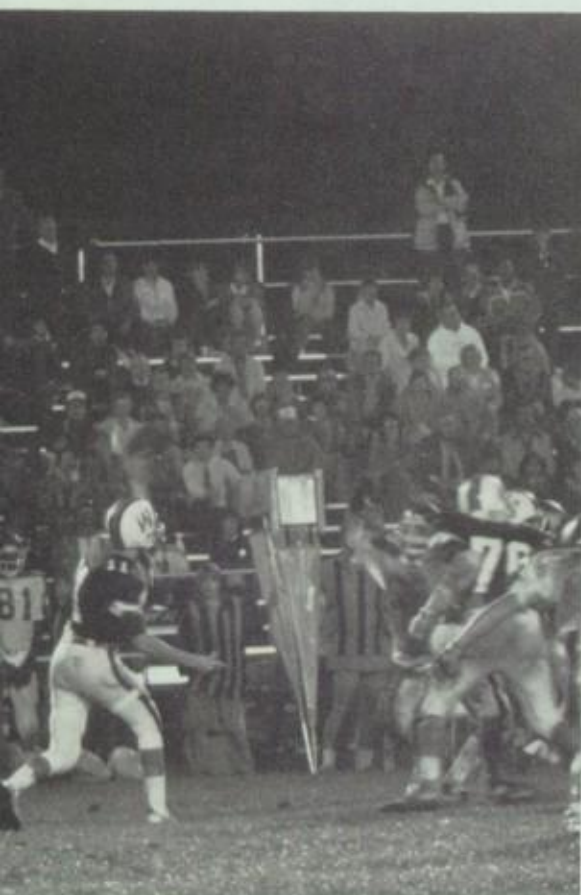

1984 FOOTBALL STATESMAN

The 1984 Varsity Statesmen had an outstanding season, finishing with a 8-2 record. Because of their record, the Statesmen were able to share the Suburban South Title with Ladue. The Statesmen concluded the season by beating Parkway South 21-13, before going on to T-Day. Although they didn't make the playoffs, the Statesmen enjoyed sweet revenge by beating Kirkwood 27-14 in the 71st rivalry of T-Day. The Statesmen ran all over the Pioneers, who had advanced to the second round of the State Playoffs and lost to Sumner 34-12.

"If we had played as well as we did against Kirkwood, we would undoubtedly have beaten SLUH and Eureka," said Darryl Brown. Co-Captain Charles Alexander commented that, "I think we had a good season, and if we hadn't lost those two games, we could have gone to State." He continued, "We have to be happy with our 8-2 record and our back-to-back Suburban South Championship Titles." Three Webster Groves Statesmen were recognized for their talent. They were Paul Maltagliati, John Buss and Michael Eason, who once again made all-district and all-state.

VARSITY SOCCER

The Varsity Soccer Statesmen ended their season with a disappointing record of 3-15. Adding to the frustration of the season was that three of these games were lost in overtime.

Weather also hampered the team, resulting in postponement of many games and cancellation of a game against South County Tech. along with the long-awaited game against

Kirkwood.

Although the Statesmen had some trouble working as a team, there was talent. The leading scorer on the team was David Boyce, and Joe Consiglio followed, leading in assists. Other strong players were halfback Joel Frigillina, fullback Pete Reed and forward Mike Stofer.

First row, left to right: Joel Frigillina, Courtney Weston, Mike Ezell, Mike Wunderlick, Matt McLaughlin, Woody Warren, Nick Gartelos, Barry Jaynes, Brent Stobart. B-TEAM SOCCER

The B-Team Soccer Statesmen followed in the Varsity team's footsteps, finishing with a disappointing record of 3-9-2.

Two outstanding players on the team were striker Chris Wilhelm and goalie Kevin MacBryde. Other strong players

were halfback Dan Consiglio, stopper David Tabscott, and fullback Mike McCullen.

Next year looks promising with experienced players returning and the vast majority of the team consisting of freshmen.

First row, left to right: Jason DuPont, Pete Hell, Kevin MacBryde, Andy Duke, Brian Parentin. GIRLS SOFTBALL

The Varsity girl's softball team ended their season with a respectable 6-13 record. "It was a very difficult season because we played in one of the toughest leagues in the St. Louis area," expressed assistant coach Joe Hepfinger. Both coaches, Hepfinger and Joe Holdman, thought that captains Lisa Vansickle and Lisa Bill showed great leadership and held the team together. Next year's season looks bright with players such as Joelle Adorjan, Cindy Thurman, Amy Jackson and many other talented ballplayers.

The J.V. girl's softball team, coached by Janet Marx, ended their first season with a disappointing 0-8 record. This season's record does not reflect the talent of the players. Many will return to help the varsity team next year.

CROSS COUNTRY

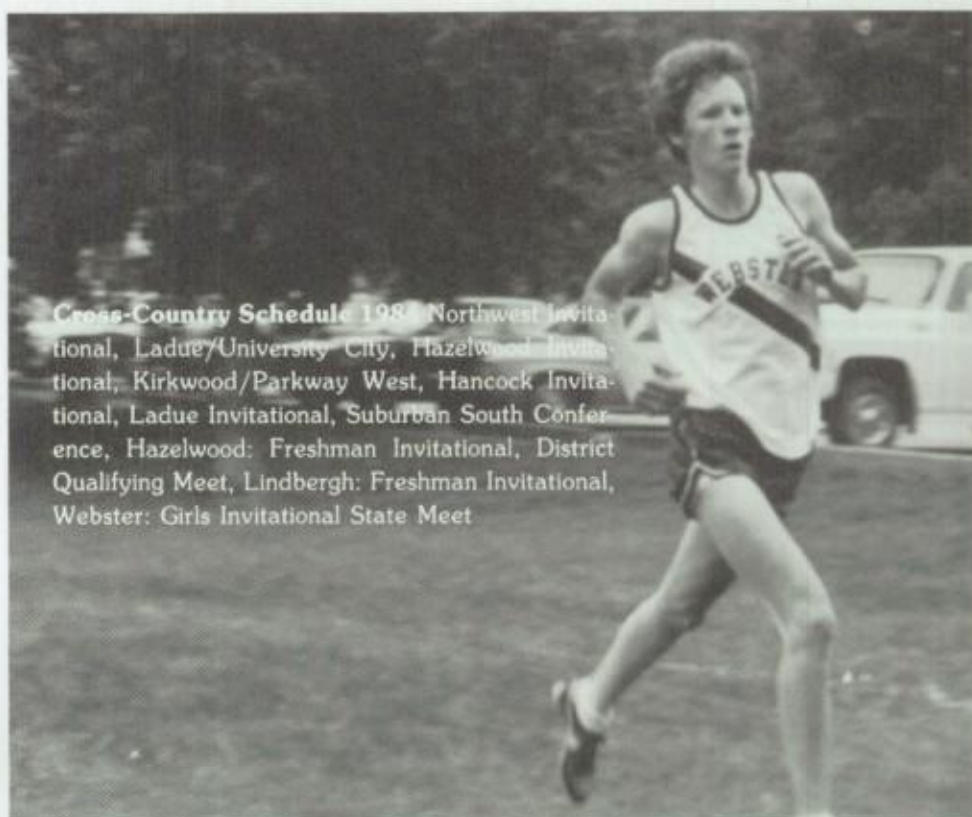

The 1984 Co-ed Cross Country Team had a good season, considering the teams lack of depth. It consisted of only 27 members, coached by Charles Finch and Jean LeLoup. Despite the small team, seven members placed well enough at the district qualifying meet to go to the sectional meet held at Jefferson Barracks. The Girl's team consisted of only six. But two, Julie Bergfeld and Wendy Warford, qualified for the State Meet in Jefferson City. They finished 42nd and 98th respectively. Although the record shows no wins, the teams displayed much talent.

GIRL'S TENNIS

The Girl's Tennis Team, coached by Elaine Dubail, has a strong finish to a slow season, due to rain and postponed games. The team finished second in the league tournament and were sixth of sixteen teams in the district tournament. Although the team didn't fare well last fall — three team members Carie Correll, Vani Pergadia and Elisabeth Peterson are seniors — two freshmen, Chris Correll and Heidi Prah, showed much promise.

The Girls' Golf Team proved that they are undoubtedly the best in the state of Missouri, winning the state tournament by twenty-two strokes. The event, held at Columbia's A.L. Gustin Golf Course, was scheduled for the 15th and 16th of October. Webster leading after the first round on Monday, was declared the winner over second-place Sedalia Smith-Cotton. Tuesday's round was cancelled due to rain.

The team, coached by Phil Wojak, consisted of Senior Captain Jill Riemer, juniors Abby Alt and Lynn Williams, sophomores Bitsy Bergman and Christy Morris and foreign exchange student Tanja Pfyfers.

Christy Morris took fourth place with a round of 88, while Jill Riemer (89) and Bitsy Bergman (92) earned 5th and 9th place finishes, respectively.

Winning the state championship was a great way to end a great season. The team finished with a record of 10 and 1. Eventually avenging their only loss not once, but twice.

The outlook for next season looks good. Coach Wojak loses two of his lovely players to graduation, but hopes to recover in time to make a bid for a third straight title.

This year was definitely one to be proud of.

Webster's achievements are proudly displayed at the senior entrance.

Varsity players: Roni Swanson, Cindy Thurman and Rebecca Carlson.

The varsity girls basketball team, coached by Ron Tarson had a losing season overall but they had a better than .500 record in their league. Senior captain Kelly Redmond said that she had fun despite the disappointing losses. There were two other captains, senior Julie Bell and junior Jackie Perez. Bell, along with freshman Alyson Biggs, was leading scorer. Despite the record many of the games were close and they built towards a great season next year.

Left: Rebecca Carlson goes up for the jumpball as other players watch.
Right: Beth Nunnelee waits for the ball.

The girls freshman basketball team finished their season with many wins. Their first several games were won by large margins. Leading scorers were Ingrid Montroy and Karen Wallace, both usually scoring more than ten points per game. Their wins this year should help the team produce a prosperous sophomore basketball team.

VARSITY BASKETBALL

RANKED NUMBER 1 IN THE
STATE OF MISSOURI

SEASON RECORD
28-2

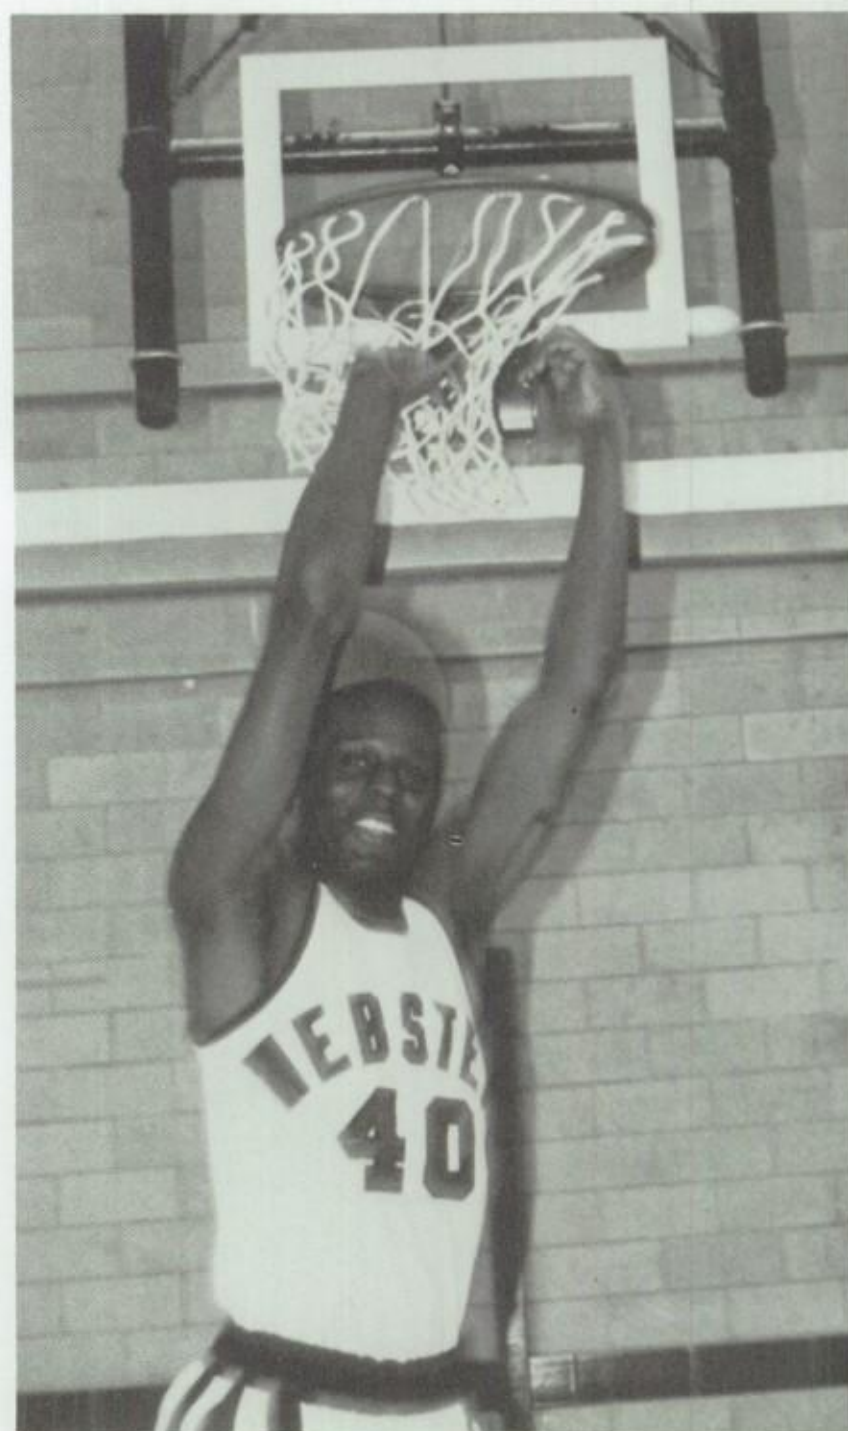

The 1984-85 Varsity Cagers had an excellent season, in fact, the best since 1979. The Cagers wound up the regular season with a 25-1 record and ranked NUMBER 1 unanimously by both coaches polls in the state of MO. The Cagers were led by the juniors "twin-towers," center Sam Ivy and center-forward Chris Odgen. The two helped the team average 28 rebounds and 65.8 points per game. The "twins" have been two year starters. Junior Sam Ivy commented, "It's fun and good experience to play with people two, maybe three, years older than you." Another asset to the team was that of co-captain Michael Eason who, with the help of Ivy and Odgen, was one of the tops in the state in assists. Eason, with his silky smooth offensive moves and (talkative) intimidating defense, has been a three year starter.

Varsity Basketball: Front row, left to right, Steve Hannigan, Michael Eason, Bryan Gilmore, Clarence Meriwether, Keynon Marsh, Matt Housewright. Second row, Mr. Hagely (Asst. coach), Alfred Robinson, Sam Ivy, Benton Johns, Chris Ogden, Pat Jones, Quintin Parker, Mr. Tim Moore (Head coach).

Front row, left to right: Cedric Rhodes, Jeffrey Hoffman, Anthony Mann, Carl Meriwether, Barry Jaynes, 2nd row: Jerome Chambers, Vincent Thompson, Stafford Warneke, John Dames, David Tabscott, David Gammon.

BOY'S WRESTLING

Senior Pete Reed finishes his best move, a single leg take-down.

The team stretches out before a match with Parkway South.

Co-Captains Pete Reed and Scott Stewart watch the final matches as another dual meet comes to an end.

Sophomore Mark Bryant works on his opponent's knees.

"We just got beat in the numbers game," Coach Carl Stallings said. "We were real strong in a few weight classes, but we would lose the match before it started because of forfeits."

Besides being short in numbers, the team was also short on experience. Of the 18 wrestlers who made it through the season, three were seniors and only two were juniors.

Despite the teams record at 2-8, there were high spots for the team. Scott Stewart finally qualified for the state tournament. Pete Reed, Harold Washington, and Mark Bryant missed qualifying for state by mere points.

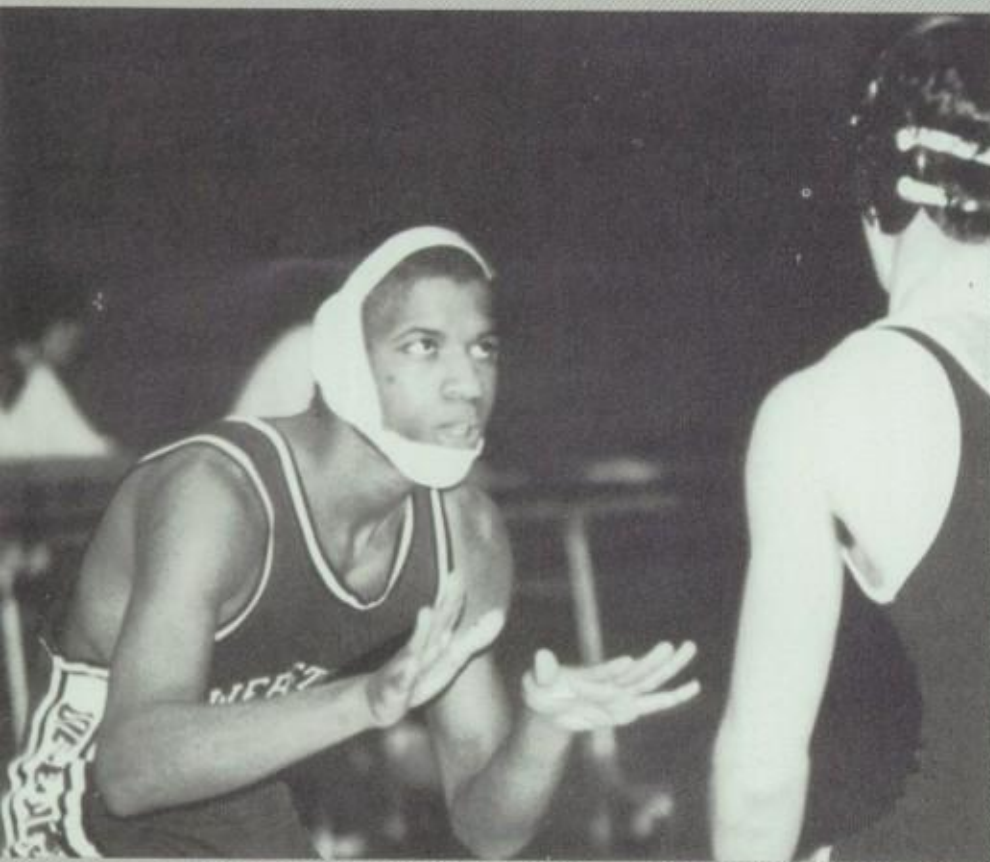

"Going to state is a great experience," Stewart said. "The competition is tougher, and winning more rewarding than during the regular season. I hope more people make it next year. It really makes the season worthwhile.

The future of the team could be bright. The experience of the underclassmen will be helpful.

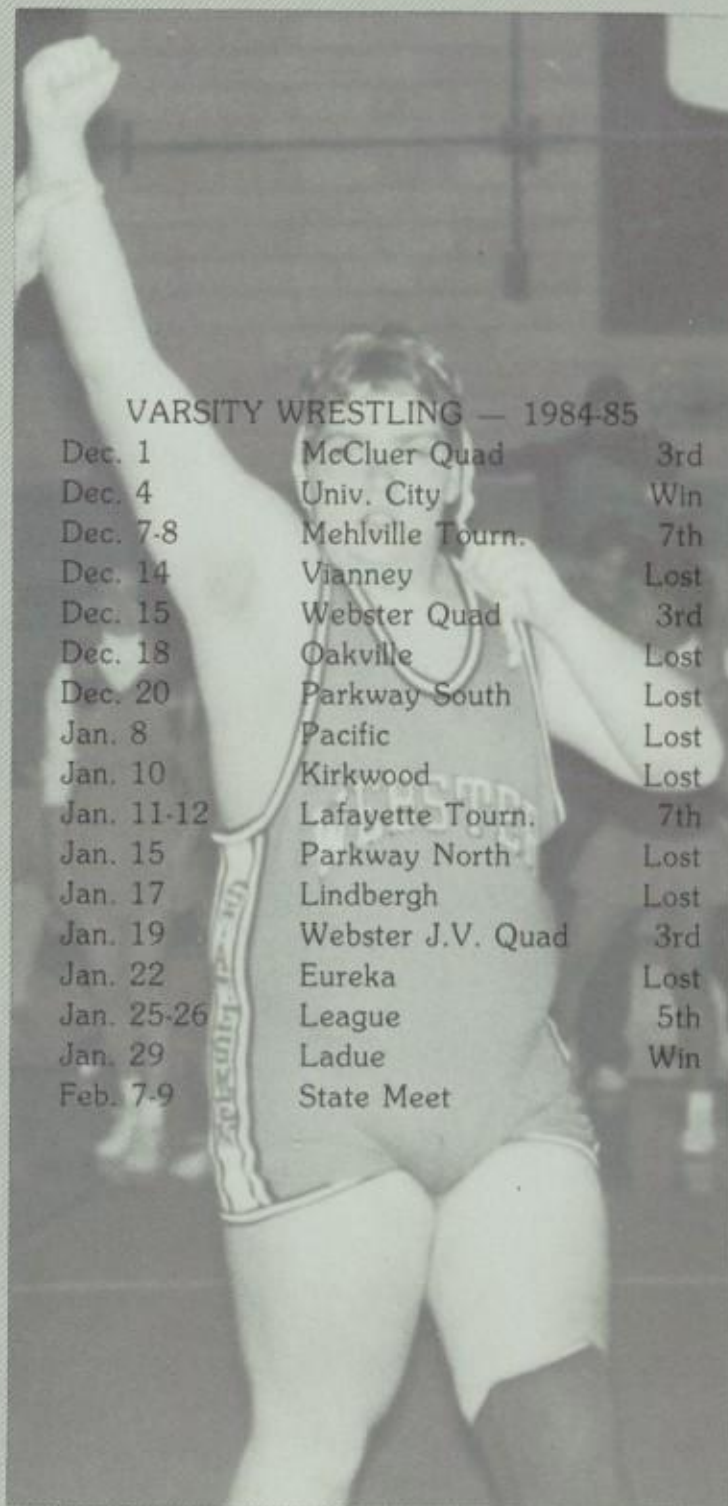

"The talent we have is really great, but we just need more of it," Reed said.

Skatesmen Clinch Division Title

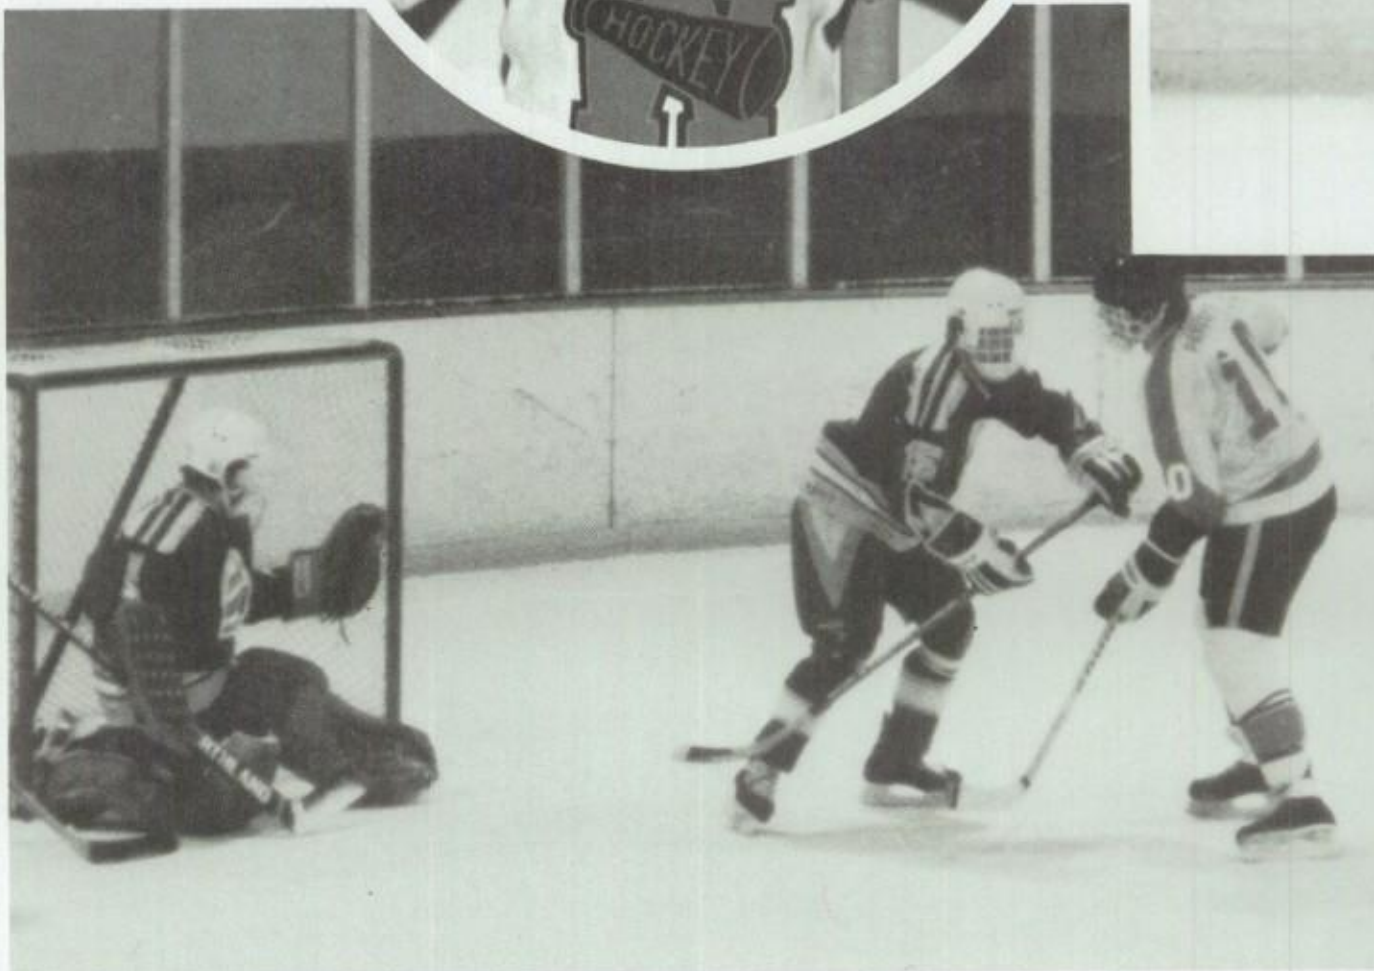

The 1984-85 Hockey Skatesmen made club history by winning the Mid-State South title for the first time in their 13 years of existence. The title was clinched after the Skatesmen defeated Mehlville 4-0, securing number one position. This victory typified the whole hockey season as the team skated to an incredible 20-2 final league record, losing only to Oakville and Parkway Central.

This record showed not only the ability of the team to work together, but also the outstanding individual talent of many players. The two leading scorers, Scott Pankoff and Mark Smith, demonstrated strong shooting ability and team effort by working together with their two supporting forwards. Pankoff teamed up with Jeff Keane and Mark Pankoff, Mark Smith with David Boyce, and Kelly Powers. This along with their defense men made for two, very strong offensive lines.

The offense was strongly backed by the defense and by tremendous goaltending. The defense was led by Jesse Kuziel, John Ekey and Matt Stewart with Senior Robbie Stewart tending goal. Despite a knee injury toward the end of the season Stewart played in 18 of the 24 games allowing an average of only 1.5 goals per game including 2 shutouts.

The junior varsity team also had talent. Despite poor team attendance at times, they still finished with a record of 9-4-1. They were led offensively by Tim Meara, Chad Caruthers, and Brian Williams, and defensively by Mike Alexander, Richard Gowen, and John Baetz. In goal was Bela Barner who played varsity and started for the J.V. team.

ON STAGE

WE ASKED THE CAST OF "KISS ME KATE" HOW THEY FELT BEING ON STAGE.

"Tense! I don't think I'll ever be comfortable on stage!" — Kelly Powers.

"Victorious and Proud." — Jamie Gartelos.

"It's like a controlled fear. You can be afraid, but you know you're in control, so it's alright." — Sheri McGuire.

WE ASKED THE CAST WHAT THEIR MOST MEMORABLE MOMENT WAS.

"During the second performance when the gangsters did 'Brush up your Shakespeare' and received a flood of thunderous applause." — Dan Cotta.

"When Tom Corbett and I changed emphasis on our lines on the last night." — Scott Pankoff

"When Dan and I were doing our encore and Mr. Meara was busting up. He was all red in the face and slouching down in his chair. I almost laughed when I saw him." — Kelly Powers.

BACKSTAGE

WHEN WE ASKED THE CAST WHAT WENT ON BACKSTAGE, THEY REPLIED:

"We played cards." — Jamie Gartelos

"We laughed and kidded around." — Pete Reed.

"We talked, got ready for cues, took a lot of pictures, and even went up to senior line dance practice." — Kathy Bentley.

"Attempted to do homework." — Elana Akkerman.

"Well, Dan and Kelly were making obscene gestures, and David and Jamie were constantly flirting, but the rest of us either took pictures, watched the show or did our homework." — Deana Keklikian.

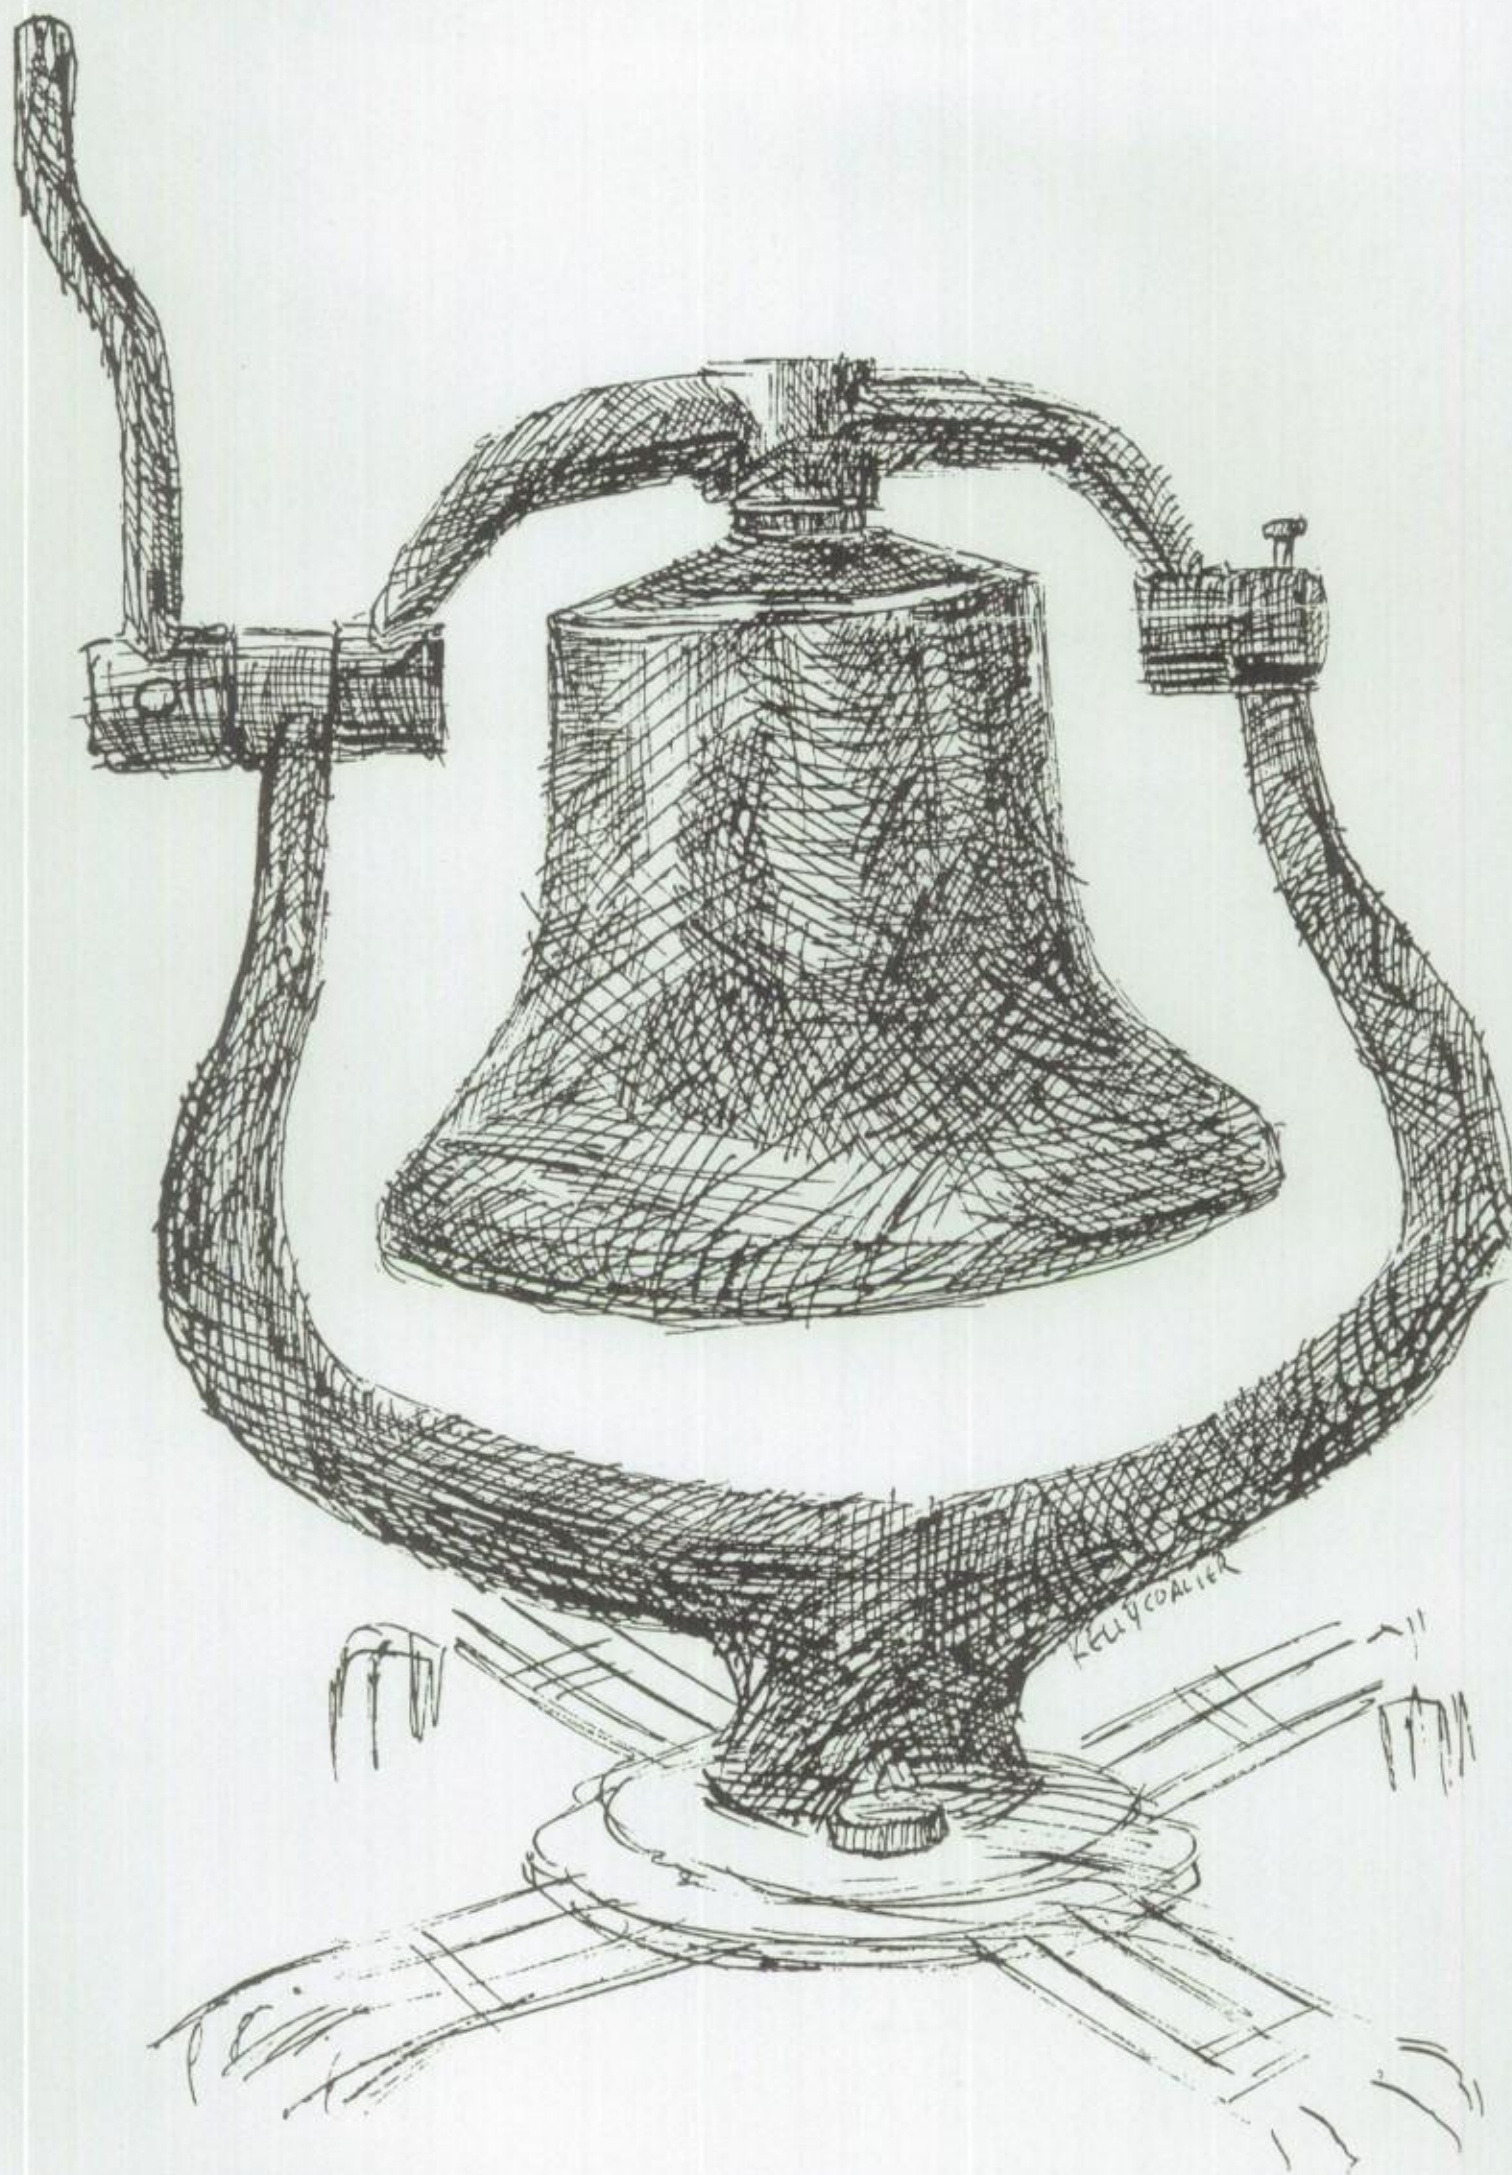

"Dan and I would just sit off stage and make obscene gestures to the actors on stage." — Kelly Powers.

"Oh, probably Tom's pants dropping off!" — Sheri McGuire.

VICTORY!

Junior running back Quintin Parker turns upfield.

This year, for the first time since 1979, the Webster Groves Statesmen football team won the coveted Frisco Bell in the 70th annual Turkey Day football classic.

The Statesmen scored first in the game. Webster's Perri Johnson intercepted a pass from Kirkwood QB Tom Poholsky. Johnson ran the ball back 45 yards to the 5 yard line. The offense then took over and senior Brian Campbell ran a 5 yard sweep for a touchdown. Campbell then went on to kick the extra point.

Kirkwood countered with a 31 yard touchdown pass from Poholsky to wide receiver Alex Manse ending the quarter in a 7-7 tie.

The second quarter was scoreless but the third quarter opened up with a Statesman touchdown. A 13 yard screen pass from senior QB Jeff Keane to junior Quintin Parker resulted in another touchdown.

Rounding out the third quarter, Brian Campbell kicked a 23 yard field goal making the score 17-7.

The fourth quarter started out with a 32 yard field goal from Campbell and a 65 yard touchdown run from Parker made the score 27-7.

Kirkwood got another touchdown, but it was too late. When the final minutes of the game came to an end, the score was Webster 27, Kirkwood 14.

The Queen and her Maids

The Queen's Dance

Ever since 1944, a friendship queen has been elected as the highlight of the Webster-Kirkwood Friendship Dance. This dance is an annual event which brings the two schools together for a night before the Webster-Kirkwood Turkey Day football game.

Each school chooses a court of maids. The maids are chosen by the groups within the high school which are actively involved in Turkey Day. This year's maids are: Laura Dysart, nominated by the band; Sally Georgia, nominated by the Pom Poms; Lisa Bill, nominated by the Senior Student Service Council; Kathy Bently, nominated by Students for Awareness and Action; Denise Baum and Susannah Schweiss, nominated by the cheerleaders; and Tracey Pope and Becky Meeks, nominated by the football team.

On November 9th, the entire school voted on a queen by marking a ballot passed out in first hour. The results of this vote was known at Kirkwood High School on November 16th as Miss Kathy Bently was crowned queen for the 1984-1985 Friendship Dance. "To me, it's not the competition, but the excitement of being a nominee that makes it worthwhile," Queen Kathy was heard to say.

Edgar Lee Masters (1869-1950) was an Illinois lawyer and poet whose Spoon River Anthology became a best seller when it was published in 1915. The Anthology is a series of epitaphs on the inhabitants of a fictitious Illinois town written by the dead themselves. The result is a microcosm of America, then and now. Contemporary themes such as self-fulfillment, meaningful relationships, materialism, militarism, religious fanaticism, and others were as prevalent then as now, though perhaps unnamed, unspoken. It is a rich tapestry; one may forget the names of the people but will long remember their feelings, their insights.

WHAT ARE THESPIANS?

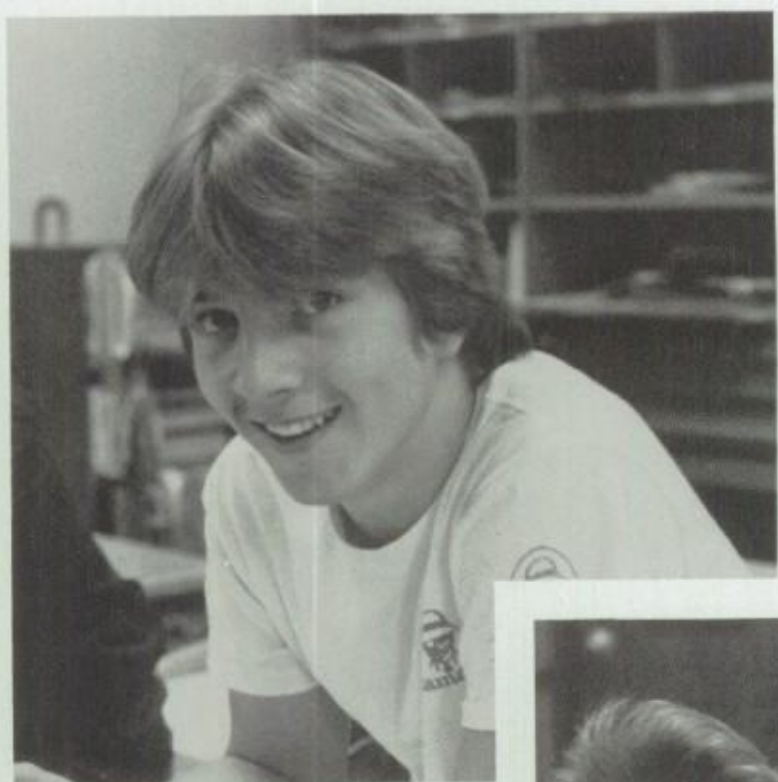

Thespians are students who have worked on our stage productions at least 100 hours, both on stage and back stage. They maintain membership in the Troop by continued support of the theatrical productions. The name "Thespian" derives from the first Greek actor, "Thespis." Wearing the Thespian "Beanie" is part of a WGHS traditional week-long initiation rite for new members. Initiation week culminates in a special ceremony during which beanies are removed and certificates of membership are awarded.

CLUBS AND ORGANIZATIONS

ART CLUB

The 1984-85 Art Club, under the leadership of Marilynne Bradley, led an active year. The young artists became members of the National Art Honor Society, enabling many students to obtain scholarships and grants from colleges. In November the club took a trip to Chicago for National Portfolio Day. The group arrived in Chicago by train and spent the day browsing through museums, visiting the Sears' Tower, and shopping at Watertown Plaza. Everyone enjoyed themselves, and next year's trip has already been planned.

Throughout the year the Art Club participated in several art competitions and went to the St. Louis Art Museum. In February, the club planned to attend a workshop in Memphis.

1) Nancy Medearis passes before a mosaic sculpture in Chicago.

2) The Art Club gathers in front of the Chicago Art Museum.

3) The spectacular view students witnessed from atop the Sears' Tower.

4) Elizabeth Peterson, Carie Correll, and Laura Molnar enjoy the view from atop the 1000 foot high Sears' Tower.

Mr. Drake introduces Mayor of East St. Louis Mr. Carl E. Officer at the Martin Luther King Assembly.

Mayor Officer continues discussion with students about the responsibilities regarding life.

This year Students for Action and Awareness (SAA) consisted of 25 members. They were kept busy throughout the year, sponsoring bake sales, dances, selling buttons, and other fund raisers. The profits were used as prizes awarded as scholarships at the end of the year. The SAA reviewed the applications from any students who wished to apply. The \$1000 first prize was awarded to the student the SAA found most deserving. This club was sponsored by Art and Photography teacher Mr. Drake and headed by the chosen President, Varkita Quinn and Vice President, Terri Bibbs.

Carle E. Officer discusses education goals with the student body.

SAA members unite to sing the Black National Anthem.

Model U.N. is an organization that introduces the students to how the United Nations is run. It is operated in a similar way to the real U.N. It is one of the largest organizations run solely by students throughout the country! 172 countries are represented by delegates who debate on various world issues and they also propose resolutions — which are written by the members themselves. Approximately 20 students were members this year, also involved in the organization were 22 other schools in the St. Louis area. Membership seemed to increase this year! All the schools met together for three sessions throughout the year. The meetings were held once every 3 weeks or as needed. This club was sponsored by Social Studies teacher Mr. J. Muth. The club was really social and educational, it was also a great way to meet people from different schools all over the St. Louis area.

SENIOR S.S.C. After four years of bake sales, selling pumpkin cards and T-Day mums it's finally here! The four years of planning and fund raising culminate in senior events that make it all worth while. Senior prom, graduation and senior picnic have all been on the minds of S.S.C. members. The planning and fund raising efforts made them enjoyable and rewarding experiences for all of the seniors. The senior S.S.C. is sponsored by Mr. Kent Ragland and Mrs. Olive Eggers and led by president Jill Ittner. "S.S.C.'s main purpose is to raise money for our senior year so it can be the best ever." said Laura Dysart S.S.C. member.

SOPHOMORE S.S.C. The Sophomore S.S.C. spent the year focused on 1987. Even at that tender age their primary function was raising money for their senior activities. Their money raising efforts this year included bake sales and selling Valentines Day cards. In addition they contributed their enthusiasm to high school spirit by organizing the Turkey Day Assembly and making posters. It looks as if 1987 will be a great year.

JUNIOR S.S.C. When you're a junior, the S.S.C. takes on a special urgency. It's the last chance for the class to raise money before it's senior year. With that in mind, the junior S.S.C. focused it's attention on fund raising. They began by selling pumpkin cards at Halloween and refreshments at home basketball games. Junior S.S.C. also made its contribution to Turkey Day activities by decorating the junior entrance.

S.L.B. Negotiation and legislation were on the agenda for SLB during the last school year. The Student Legislative Board consists of elective representatives of the student body from all four classes. SLB is the "link" between the students and administration. This year the group worked to evaluate Websters activities program by visiting other schools such as Fox and McCluer North. Along with the construction, SLB worked hard to improve the school by amending the constitution.

The ECHO Newspaper led by editor in chief Susan Tabscott, advertising manager Brent Berarducci and advisor Ms. Beth Ann Brady worked hard to maintain its outstanding reputation. "One of the goals of the paper is to have stories with representations of all four classes," said senior Alan Hicks. The student-run paper meets every day fourth hour. Each member is required to go out and get ads from Webster businesses to raise money. The T-Day program designed by Sheryl Maisenhelder was another big money raiser.

Being a part of the American Field Service (AFS) means more than just belonging to a Webster High School organization. The AFS exists nation wide involving students, parents and teachers. This year AFS hosted two students who made Webster their home-away-from-home. Both students stayed with the Lark family. Each was an experienced member of the girls state champion golf team and marched in the band. Each was an experience for both of them. In order to raise money for the exchange students, AFS conducted several fund raising events ranging from selling pizza and Christmas ornaments to the annual Spaghetti Dinner.

D.E.C.A.

High school students learned about careers in marketing-related professions in D.E.C.A. (Distributive Education Clubs of America). They developed career awareness and the skills, knowledge and attitudes necessary for a career in marketing.

This year's officers: Kelly Hodapp, President; Chris Bartram, Vice-President; Kathy Fox, Secretary; Kim Buehler, Treasurer; Charles Alexander, Reporter; Ed Foerstel, Parliamentarian; and Dennis Kruse, Co-ordinator.

DEBATE

The Webster Groves High School debate team had a super '84-'85 season. The team participated in the Greater St. Louis Speech League and competed with 23 area high schools in that league. The team also competed with teams from Missouri and Illinois in weekend tournaments.

The squad consisted of Sharon and Chuck Fuller, Greg Klass, Bob Lavender, Viren Pergadia, Wendy Warford, April Fletcher, Denise Williams, Pam Benson, and Dan Cotta. Led by seniors Sharon Fuller and Greg Klass the team succeeded in capturing first, second, and third place trophies.

COMMUNITY CAMPUS

Webster Groves Community Campus participants gained experience in the workplace via various "learning stations." The College School, Bristol School, The Webster Groves Animal Hospital, The Repertory Theater of St. Louis, and K-SHE radio station. Senior Lanie Stratton "enjoyed her experience," because it gave her "a feel for what I was getting into." She also commented that "through the WGCC program you learn how to communicate with people on all levels."

PEGASUS

"Pegasus is an academically challenging program for ninth and tenth grade students. Approximately 5% of the freshman class is enrolled in the social studies section, and 5% in the English section," said Nancy Walters.

"The social studies section provides highly motivated and talented ninth and tenth graders with the opportunity to participate in creative problem solving and analytical thinking activities," Charles Finch explained.

GRAND TOTAL: 13,340 CANS!

The 1984 canned food drive, sponsored by the SSC, collected a record of over 13,000 cans for the needy. Once again Mr. Brucker's first hour calculus class triumphed. Although Mr. Solomon's class collected 3349 to Mr. Brucker's 3345, the latter had more cans per student; 167.4. Mr. Brucker's class has won for the past 10 years. In addition to the glory of their traditional win each student in the winning class receives a gift certificate from McDonalds. The school collected a record number of 13,340 cans.

Every year only a few students are chosen to become members of The National Honor Society. To become a member, one must have a 3.85 cumulative grade point average for the first five semesters, or have a 3.75 grade point average for seven semesters. A student is also evaluated on service, leadership and character.

To uphold their constitutional by-laws, The National Honor Society sponsors 2 blood drives each year; one in the fall and one in the spring.

POM PONS

by Beth Georgia

Pom Pons is an organization which brings together 27 girls to provide color and entertainment at home football and basketball games.

The 27 girls start out the year performing during half-time at home football games with the Statesmen band. They do routines to various songs played by the band, some while they are marching and others from a stationary position.

During the school year the girls perform in a number of local parades and area music festivals. For example, on September 28 the Pom Pons joined the Statesmen marching band and the concert choir to perform at the Riverfront festival on the riverfront.

The girls are also involved with the Turkey Day activities including decorating the school cafeteria. They also perform at the pep rally and at the game.

Pom Pons, sponsored by home economist teachers Joyce Waskow and Diane Stromberg, meets every day with the band during fourth hour for the first semester. Practices are held on Tuesday and Thursday after school until 4 p.m. Tryouts are held in the spring and are open to all grades.

CLUB

VARSITY CLUB: Anyone who has ever attended a sports event at Webster would notice one particular section that seemed to have the most spirit, enthusiasm, and fun. This group of students is known as the Varsity Club.

The club's flame was rekindled this year by seniors Tom Corbett, Tracey Pope and the Rocko Fan Club. The group attended all of the varsity football games — cheering, singing chants, waving signs and throwing confetti.

The choirs here at Webster are directed by Ms. Vicki Boren and accompanied by Mrs. Madeline Burkholder. (below left). It was an honor to have three members from the Concert Choir accepted to All-State Choir. Of these members, was the first female from Webster High to make All-State Choir, Senior Jackie Dora. The others were Seniors Tom Morris and Glen Washington. (below right).

Other people responsible for the organization of the choirs were the four senior officers of Concert Choir; President, Lisa Stephens; Vice President, Kathy Bentley; Secretary, Sheri McGuire; and Treasurer, Pam Benson. (below center)

Concert Choir and Trebleaires members all contributed in the annual cheese and sausage sale to raise money for Concert Choir's new robes. This year, they made a profit of \$2000, enabling them to purchase the robes and receive them in time for the Spring Concert. The top salesperson was Senior Tara Snyder, who received a \$50 prize.

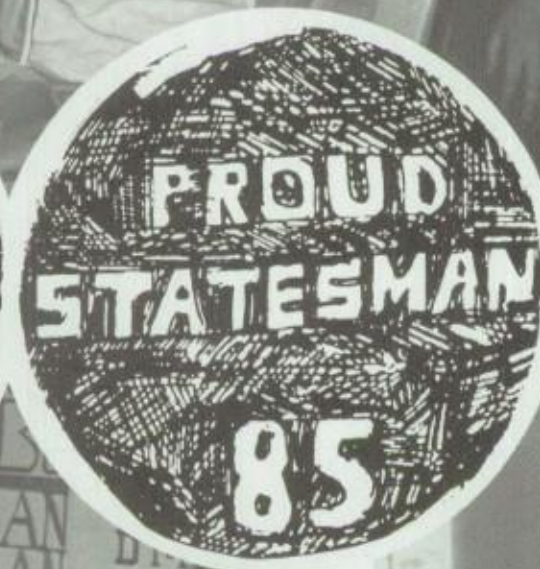

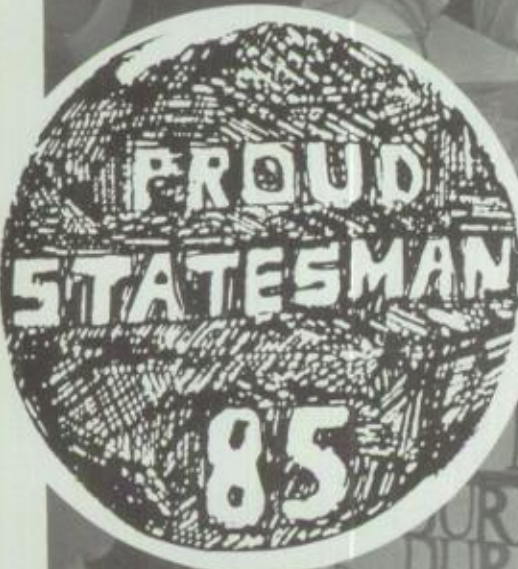

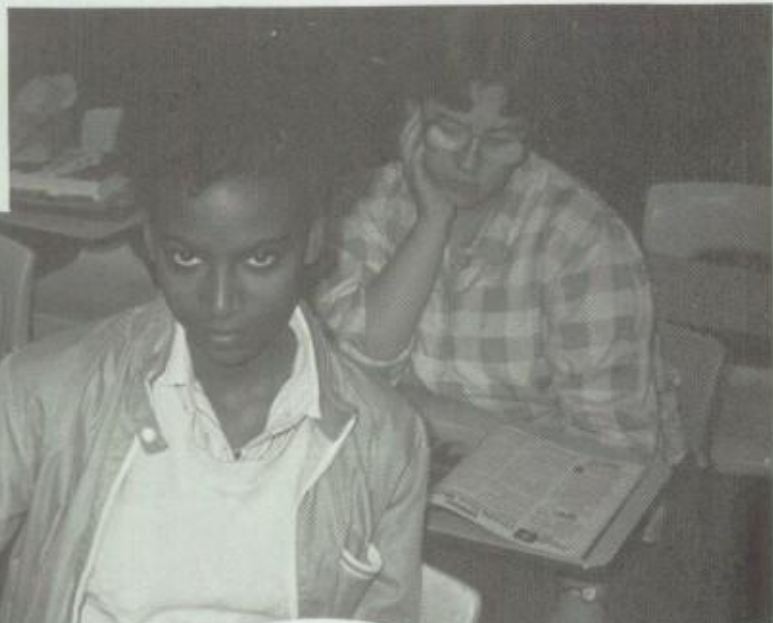

All of the choirs had several performances, both in and out of school. Among these performances was a command performance at Christmas for Mayor Cooper and a Concert Choir Christmas performance at the Crestwood Ultra Mall. The school Christmas Concert not only included the four high school choirs, but also included the junior high chorus. All five choirs made up the finale of "Go Tell It On The Mountain."

The year was finished off with their annual Spring Concert in May, followed by the Baccalaureate and graduation.

A FACULTY . . .

TO BE PROUD OF.

The **Echo** Yearbook staff interviewed the members of the Webster Groves High School faculty, and we found out some very interesting facts about their college education. The 90 members surveyed were asked to provide information about the colleges or universities they attended and the degrees they have attained. Both faculty and students should be proud of the results.

The survey showed that . . .

- . . . 100% of the faculty have earned a Bachelor's degree;
- . . . 64% have earned a Master's degree;
- . . . 2% have earned a Ph.D.;
- . . . the faculty has attended a combined total of 72 different colleges and universities;
- . . . 29% of those 72 schools are in Missouri;
- . . . of the Missouri schools listed,
 - 27% of the faculty have attended Washington University;
 - 27% have attended the University of Missouri at Columbia;
 - 22% have attended Webster University;
 - 21% have attended U.M.S.L.;
 - 14% have attended St. Louis University;
 - 12% have attended S.E.M.O.;
 - 6% have attended N.E.M.O.;
- . . . and two members of the faculty have studied at a school in a foreign country.

STUDENTS DREAM OF ULTIMATE CHRISTMAS GIFT

by Chris Longmore

If 1984 was the year of the ultimate Christmas, and you could have anything you wanted, what would you ask for?

Here are some of the replies Webster students gave in response to this question:

Doug Schleuter — To see Jimi Hendrix play live, in concert.

Tim Meara — The hockey team to win the state playoffs.

John Oberkirsh — I wanna rock.

Laura Stallings — Christmas in Chicago.

Tim McGuire — A keg of Busch, a new bike.

Lorenz Sartoni — A baseball glove.

Bill Stephenson — A keg of Busch, a new bike.

Gretchen Witte — A Heman Walker and a Gobot.

Jeff Welch — To win the lottery.

Anne Tkach — He's about 6'2" blue eyes and blond hair.

Bela Barner — Acceptance to Yale or Harvard.

Bob Lavender — A paradisaical archipelago in my back yard.

Craig Spohr — Kurt's hat.

Robert Blayney — Chernenko's underwear.

Chris Wilhelm — A teddy bear.

Chris Hooker — My front tooth, but realistically Madonna in a Ferrari.

Greg Klass — I don't want a pick-up. I just want to ride my motorcycle.

Wendy Raby — He is 5'8", has blond hair and lives in Kansas City.

Brian Place — I want my magic bus.

Jason Dwyer — A trip to South America (Colombia)

DeQuince Clay — A trip to Hawaii, surrounded by 6 virgin girls, with a nudist camp across the palm trees.

Jim Friedeck — A Lomborghini Countach and Marianne Gravette (1983 Playmate of the Year)

Mike Hill — A mistake in my favor on my Neiman's charge. Also a Porsche 944 would be nice.

Korey Hayden — To marry Dwight Gooden within the next year, or any other rich young man, preferably handsome.

Special Issues In 1984-1985

She did not deliver the female vote for the Democrats — or the Italian-American, or her state or even her own district. But as the first woman on the national ticket of a major party, Geraldine Ferraro (49) made American political history.

Ninety minutes at McDonald's. The lingering anguish of the San Ysidro massacre. At four p.m. on July 18, in San Ysidro, Calif., 19 people were wounded and 21 were dead or dying — 22, if you include the man who shot them, an unemployed security guard named James Huberty.

If Orwell's Big Brother was watching this year, he was surely bemused with the big entertainers in the headlines. Boy George, Annie Lennox, Grace Jones, Michael Jackson, Nick Rhodes and Prince all made Milton Berle and David Bowie look boring in the current cult of cross-dressing confusion.

Clara Peller said, "Where's the beef?" and made Wendy's fast food a three-way contest and gave Walter Mondale, in another competition, his best line.

The Ghostbusters team of Ernie Hudson, Harold Ramis, Dan Aykroyd and Bill Murray whipped mermaids, gremlins and Indiana Jones to become the biggest-grossing movie of 1984. Made for \$38 million, it pulled in more than \$200 million in its first five months.

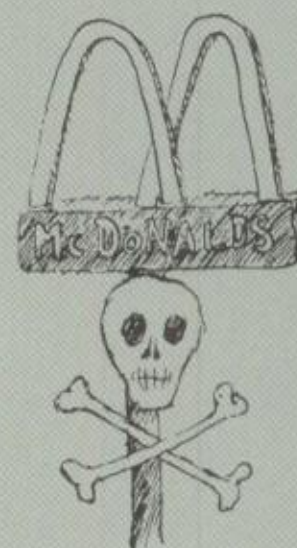

The San Francisco 49ers defeated the Miami Dolphins in the Super Bowl XIX, 38-16.

16-year-old Mary Lou Retton, who wound up with one gold, two silvers and two bronzes, was the first individual Olympic medal winner in gymnastics by an American woman.

Colgate revolutionized the toothpaste industry with the new pump dispenser.

For 16 Olympic days and nights, the world seemed warmer. They ran, leaped, plunged, hurled as if their muscles would stay young forever. There were 7,060 of them — from Burma, whose lone competitor, a boxer, (lost his only match) to the U.S., which won an unprecedented 83 gold medals. There were other superlatives, too. Despite the Soviet boycott, the XXIII Olympian produced a record profit of \$150 million, was attended by 5.5 million spectators in Los Angeles and watched on TV by another 2.5 billion — more than half the population of the world.

Jesse Jackson freed Lt. Robert Goodman from a Syrian prison.

Elsewhere during the year, satellites were salvaged from space and a U.S. President, Ronald Reagan, won a resounding reelection.

There was tragedy as well: starving children in Ethiopia, a murdered leader in India. The 66-year-old Prime Minister Indira Gandhi was gunned down by two Sikh members of her security guard. Her son Rajiv, 40, a former airline pilot, was named as her successor.

Yuri Andropov's death was announced.

Prince Henry Charles Albert David was born to Prince Charles and Princess Di. Weighing 6 pounds 14 ounces, the third in line to the British throne was nonetheless greeted by pealing church bells, legions of well-wishers waving the Union Jack and a 41 gun salute from the royal artillery.

In the 98th year of the old girl's life, Miss Liberty disappeared behind a curtain of scaffolding to have her costume refurnished and insides strengthened at a cost of \$30 million. She will return to view on July 4, 1986.

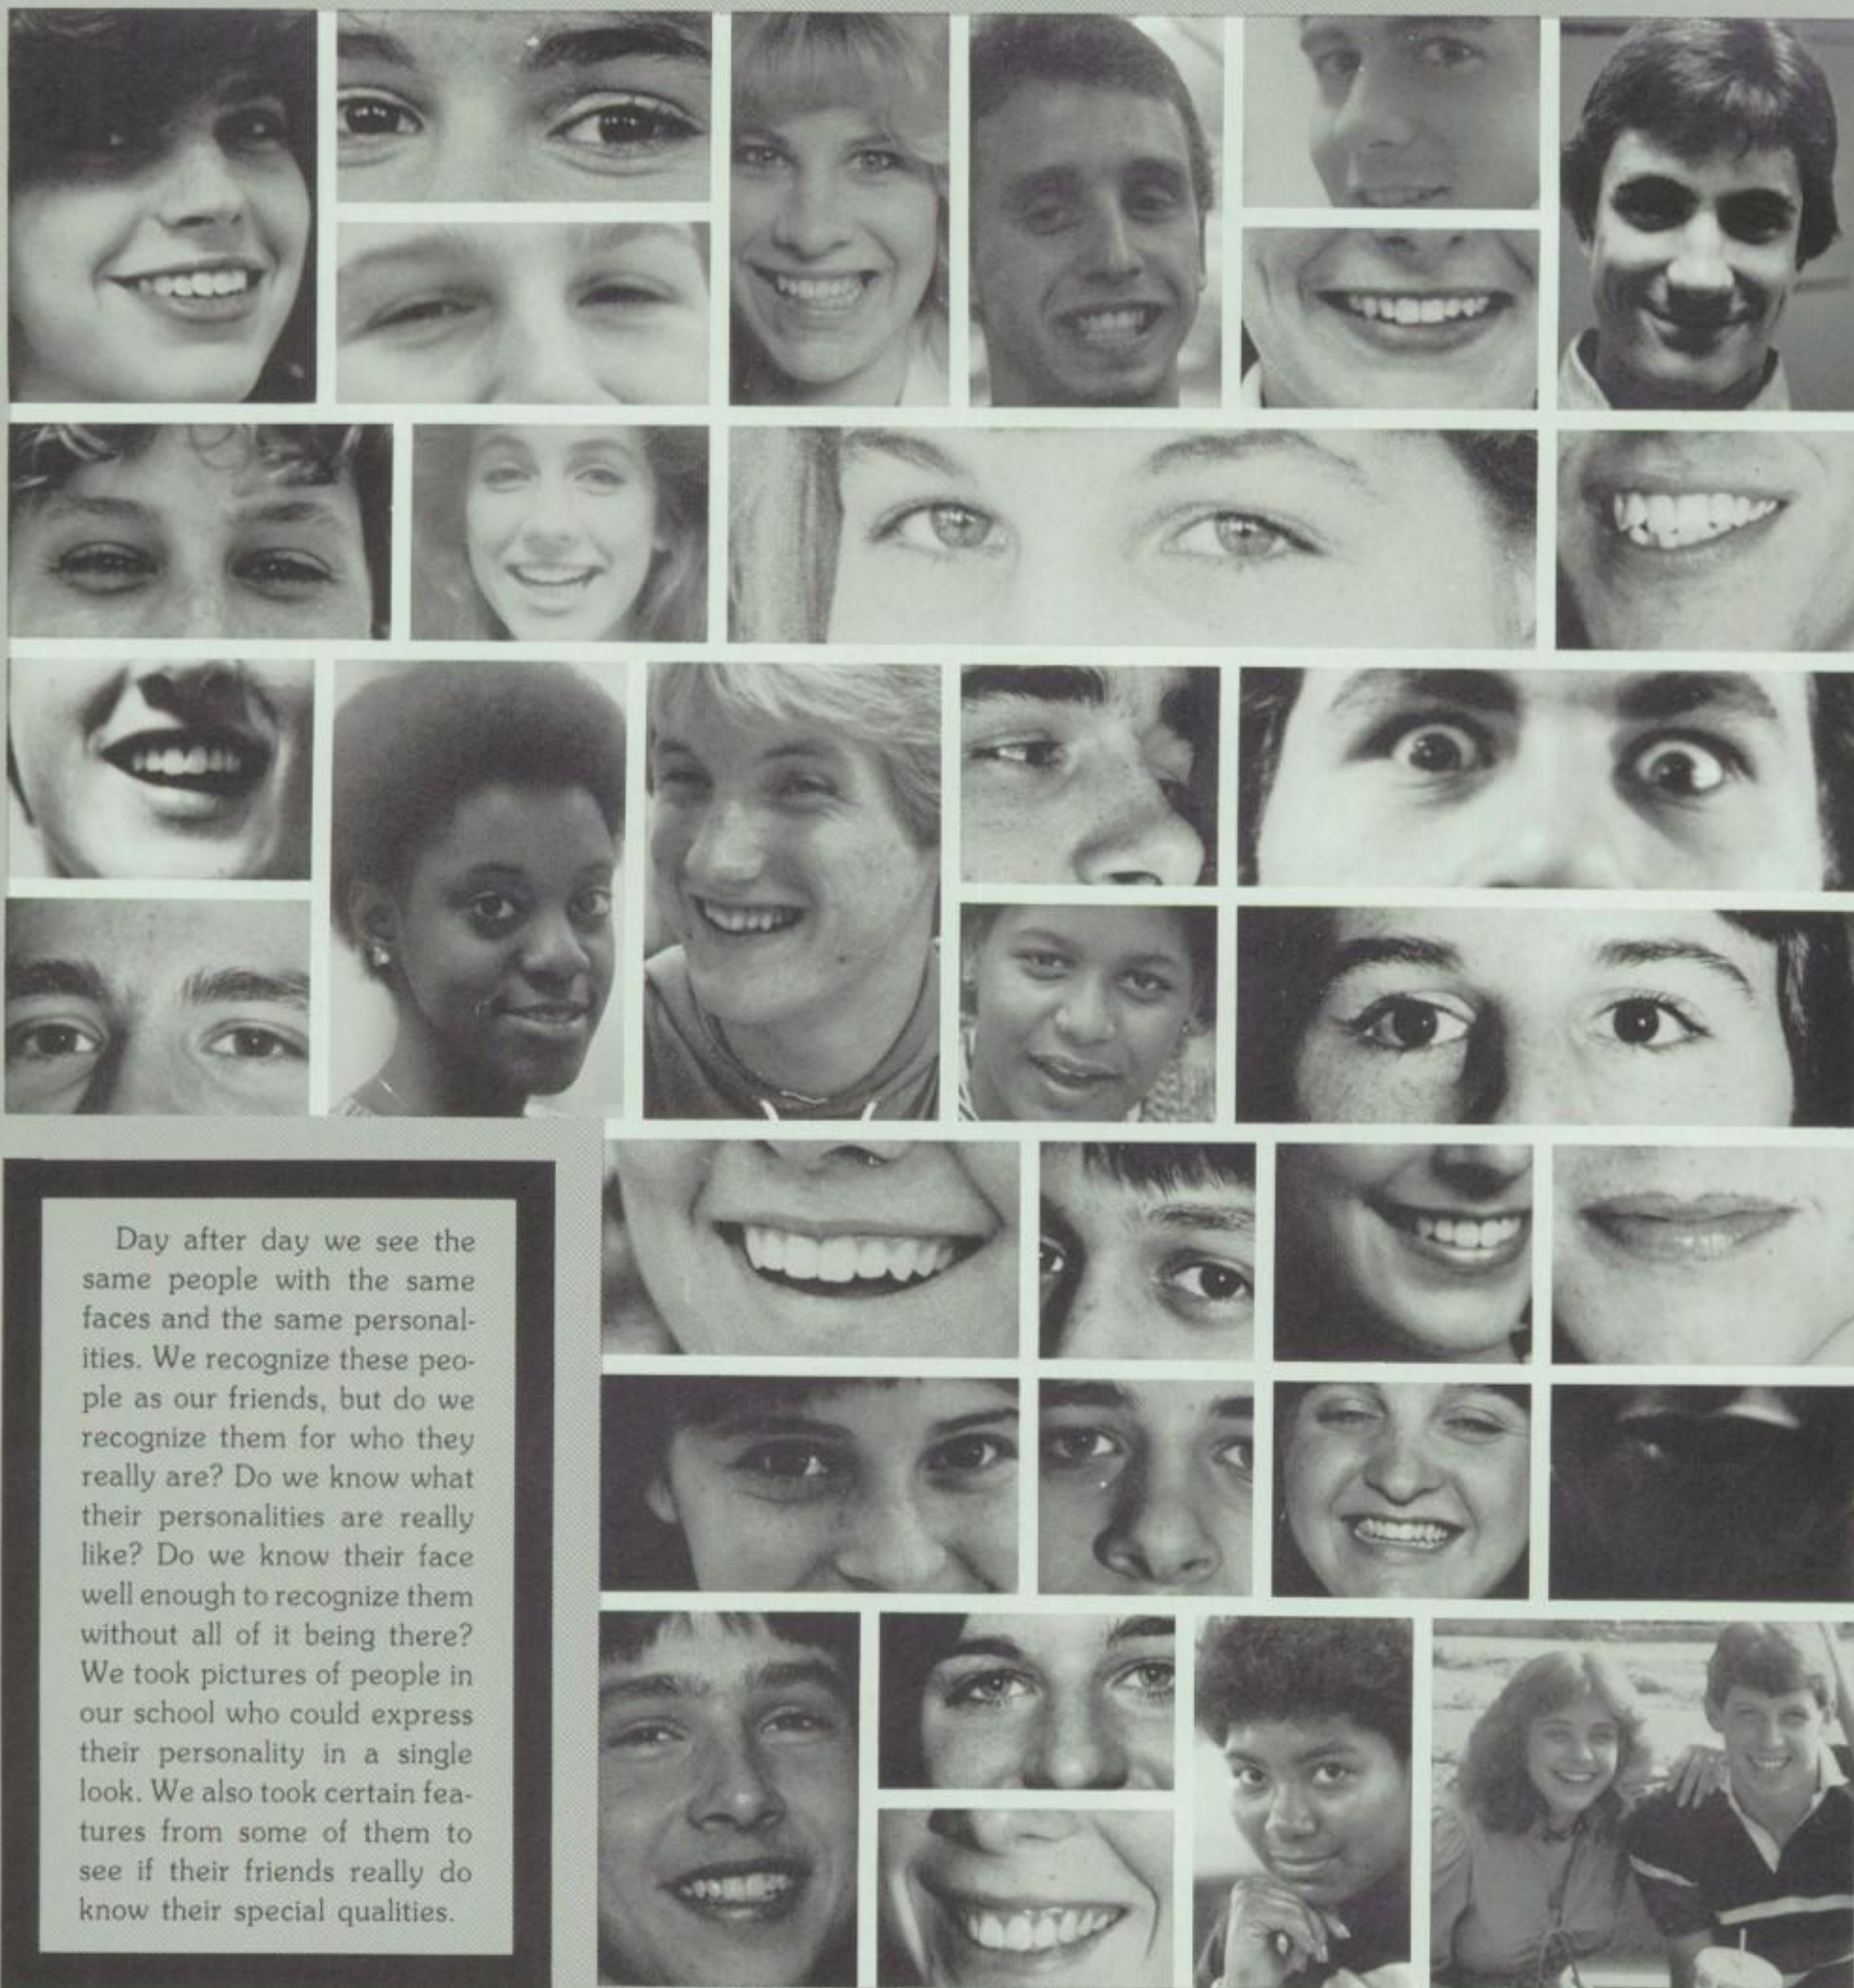

Vanessa Williams lost her Miss America Crown when sexually explicit photos appeared in Penthouse. The pageant committee pressured the first black titleholder to resign.

After 38 pennant-less seasons, the Chicago Cubs captured their division title and made it to the play-offs. Chicago blew a two game lead and lost to the San Diego Padres, who lost the World Series to the Detroit Tigers.

FASCINATING FACES

Day after day we see the same people with the same faces and the same personalities. We recognize these people as our friends, but do we recognize them for who they really are? Do we know what their personalities are really like? Do we know their face well enough to recognize them without all of it being there? We took pictures of people in our school who could express their personality in a single look. We also took certain features from some of them to see if their friends really do know their special qualities.

"Special people come and go, but as time goes by, we learn to live for the future and keep the past dear in our memories."

In Memoriam

1985 ECHO STAFF

A YEAR OF FIRSTS

The 1985 ECHO Yearbook staff made many changes in organization this year. First of all, the staff worked with a new yearbook company, Herff Jones Inc. Secondly, the staff decided to work without editors, photographers, writers, etc. Everyone got to do a little of everything, and assignments were chosen instead of being assigned. This gave everyone a lot more enthusiasm about their assignments, and it gave everyone a chance to work in all aspects of putting a yearbook together.

Under the leadership of Norm Hoffmeister, the yearbook enjoyed increased sales during its October and December drives. Though the staff was largely a new staff, they were able to learn quickly. The 1985 Echo yearbook staff had that team spirit that produces a winner. A couple of deadlines did creep up rather quickly, but everyone had the right attitude to get things done and hopefully put out a yearbook to be remembered and enjoyed.

PATRONS

This year the ECHO yearbook sent out over two hundred flyers asking for Friendship contributions from the businesses in Webster and Old Orchard.

A donation of \$20.00, \$35.00, and \$50.00 earned the contributors a title of "Friend," "Best Friend," or "Friends Forever" respectively.

The ECHO yearbook wishes to take this opportunity to thank these businesses for their generous help to defray the high cost of printing a yearbook.

To
Bro -
Hello, how are
ya doing? Maybe
a little tired? Maybe
of just your thing? Don't
kidding? I give a little

Sorry about
the Pen

man's at the bottom
of this page - but this
pen sucks a big dick!
I don't even say that I
always talk about dicks
because I don't. I think
they're slimy, long, noisy and
very sticky. And
anyway, even if I did
talk about them all the
time, what do you care? Besides,
it's really none of your
business. / / Ya know
you never did write me
in 2013, did you? I have
more on front
